

[DOIN-13] Verify if the user can introduce another type of License that is not in the License type list

Created: 21/May/22 3:04 PM - Updated: 22/May/22 12:23 PM

Status:	Selected for Development
Project:	Doina Final_Project
Parent:	DOIN-3 OrangeHRM -> My info -> Qualifications -> Add license (Epic)
Component/s:	None
Affects Version/s:	None
Fix Version/s:	None

Type:	Bug	Priority:	Highest
Reporter:	Doina Agachii	Assignee:	Doina Agachii
Resolution:	Unresolved	Votes:	0
Labels:	None		
Original Estimate:	Not Specified		
Remaining Estimate:	Not Specified		
Time Spent:	Not Specified		

Agile

Epic Link: My Info module

Description

1. Log into the application
2. Go to My info module -> Qualifications
3. Add License -> chose from License type dropdown the option to add another type of License

Expected result: There is an option (Add new) in the License type dropdown to introduce another type of License that is not in the License type list

Actual result: There is no option in the License type dropdown to introduce another type of License that is not in the License type list

<i>Agile</i>			
Epic Link:	My Info module		

Description

1. Log into the application
2. Go to My info module -> Qualifications
3. Add License -> Select from the dropdown 'License type' an option (mandatory field)
4. Select a date (2021-04-09) from the date picker in the 'Issued date' section
5. Select the same date (2021-04-09) from the date picker in the 'Expiry date' section

Expected result: changes are not saved. An error is shown. The date in the 'Issued date' field must be different from 'Expiry date' field.

Actual result: the changes are saved
